

How To Run Your Weekly Market Activity Report

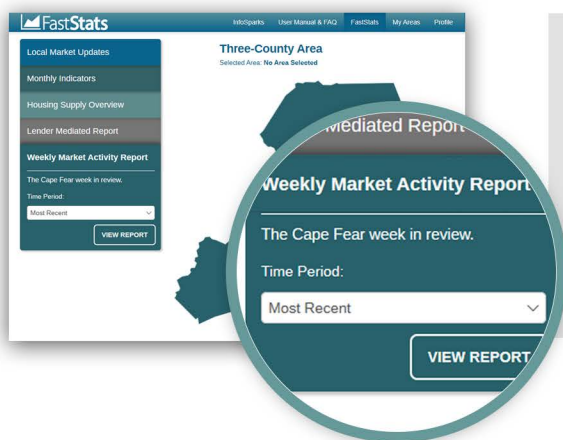

Step One: Sign into your flexmls account. ncr.flexmls.com

Step Two: Select the 'Menu' for the dropdown. Under the 'Products' section, click 'MarketStats'

Step Three: InfoSparks will open in a new tab. Select the FastStats tab on the top menu bar.

Step Four: Select the 'Weekly Market Activity Report' tab on the left side menu. Use the dropdown to select the week for your report, then click 'View Report'.

The report will open in a new tab for you to view and save.
It's that easy!
