President Sherri Pridgen called the meeting to order at 9:00 AM. All directors received notice of the meeting.

Recommend we take out a line of credit for improvements with intention of paying back after settlement. Past statue of limitations but C&T has made several repairs which are not outside the statue of limitations. Litigation will start this week.

There being no further business, the meeting adjourned at 9:30 am.

Respectfully Submitted,

Jo Anna Edwards, RCE
Corporate Secretary
